Dr. J. C. Overvoorde, Director
Staedelijk Museum
Lieden
The Netherlands

Dear Sir:

Will you be so kind as to inform me whether photographs are available of two p ictures in the Lieden Museum:

(1) By Govaert Flinck, "Man's Portrait", signed and dated 1640.
(2) By K. van der Pluym, #271, "A Philosopher", signed and dated 1640.
(3) By Ferdinand Bol, "Portrait of a Man".

If photographs of these are not available, can you tell me whether they have ever been reproduced or published, and if so, where? If photographs are available, I should like to know the cost of obtaining a print of each of these p aintings.

I shall greatly appreciate any help you may be able to give me.

Very truly yours,
